# WELCOME

The 2025 Rodeo Committee and AGRA Members extend a heartfelt thank you for joining us as we celebrate the 39th Annual Arizona Gay Rodeo. We want you to have a good time and enjoy the various activities inside the pavilion, on the outside patio area, and on the grass.

In addition to all of the games on the green, we have a petting zoo this year. And, again we have the mechanical bull. And, remember to watch your favorite rodeo events that take place both Saturday and Sunday. We have added Community Goat Dressing on Sunday with 48 individuals (24 2-person teams) allowed.

Listen for announcements about where to sign up to participate.

There are several new vendors this year, both inside and outside; and we encourage you to look around and shop. You might just find that “special item” you have been looking for. And, enjoy the entertainment inside the pavilion.

If you have any questions or need assistance, just ask the Rodeo Director, Assistant Rodeo Director, or those working in the AGRA booth. Please enjoy your weekend, drink responsibly, and be safe.

# ARIZONA GAY RODEO GRAND MARSHALS

**FELIX & SOLEDAD CORONA**

Phoenix was gripped by the fear of AIDS in the summer of 1985 when a new gay rodeo association in Arizona was searching for its first rodeo venue. The State, Maricopa County, the Sheriff's Posse Grounds and Gilbert were the only ones who would even talk to us but, the answer was always— no, no, NO! AGRA was desperate when we made our presentation to a curious Felix Corona. He was indifferent when the interpreter, his son named Juan, explained that the G in AGRA stood for gay. We could rent the entire facility including the liquor concession except, all the food was to be prepared and sold by his wife Soledad. So, we had the first Arizona Gay Rodeo at Corona Ranch and Rodeo Grounds in January 1996.

Compromises had to be made all around as contestants had to adjust to the smallest gay rodeo arena; officials had to compute new measurements; and the Corona's had to provide personal office space for counting and arranging for the awards ceremony. Everyone soon learned that Soledad and her family were some of the best cooks in the valley; but the lines were

often 50 people deep to get a chance to taste one of her green chili burritos.

The Rodeo was a success from the start. The partnership between AGRA and the Corona's has resulted in 40 years of sportsmanship, entertainment, dancing, fun and charity. AGRA has been able to contribute over 1 million dollars to AIDS and other gay related charities. Helping AGRA was just one of the many community services that Felix and Soledad have provided over the years. They helped form the Association de Charros El Herradero that built El Lienso de Charro rodeo grounds. Felix Corona has received Lifetime Achievement Awards from both Valle del Sol and Chicanos por la Causa, and he has recently been inducted into the USA Hispanic Promoters Hall of Fame. They have received numerous IGRA and AGRA Application Awards, and there is even a mountain in southwest Arizona named after the Corona family.

**It is altogether appropriate that AGRA finally recognize Felix and Soledad Corona as the Grand Marshals of this 2025 Arizona Gay Rodeo.**

# ARIZONA GAY RODEO JUNIOR GRAND MARSHAL

For this 2025 Arizona Gay Rodeo, we recognize “Cowboy Lincoln” as the Junior Grand Marshal.

Lincoln is eight years old, and has been around rodeos all of his life. He loves rodeo, and his favorite events are Goat Dressing and Mutton Bustin’. He loves to compete in the Mutton Bustin’ event and encourages others to also compete.

He listens well and always speaks up if he thinks you are wrong or if you are doing something harmful. He will expect you to correct any mistakes and make things right.

For the 2024 Arizona Gay Rodeo,

Cowboy Lincoln raised \$1,000 for the rodeo as a Diamond Sponsor and sponsor of the Mutton Bustin’ event. For the 2025 rodeo, he was determined to do more and he raised \$1,700 as a Diamond Sponsor and sponsor of the Mutton Bustin’ event.

We are happy to give a big thank you to Lincoln and present him with a 2025 Arizona Gay Rodeo Buckle.

## PROGRAM DEDICATION

We celebrate and are grateful for the many years of committed dedication and Servant Leadership in the LGBTQ+ communities in Arizona. Your hard work, dedication, and Royal commitment over the past 18 years at rodeos and community fundraisers is appreciated.

The unwavering ethics, values, and passion for Human Rights, Community Activism, Education, Diversity, and working toward full equality for all individuals are outstanding.

AGRA is dedicating the 2025 Arizona Gay Rodeo to the members of the Imperial Court of Arizona. Thank you for all you do!

As you say: live and breathe: “From your Heart, Through the Court, To the Community”. Thank you for your Gowns, Crowns and Royal support of AGRA, Rodeo and all LGBTQ+ Communities.

*Thank you, AGRA, for your support of TIHAN and our compassionate response to HIV/AIDS, and for keeping rodeo safe, fun, and welcoming for all of us!*

By bringing together religious, secular, corporate and non-profit organizations, TIHAN creates an inclusive and welcoming support network for people living with HIV. We are the largest volunteer-based and privately-funded HIV organization in Arizona, and a longtime supporter of AGRA!

# In Memoriam

It is always a time of sadness when a friend or loved one is taken from us. Each of us grieves in our own way, and we remember these individuals, their friendship and love we were able to enjoy. Today we celebrate the lives of two special people.

**Panda Champion** left us in early October 2024. She had an infectious smile and laugh that only Panda could have. She could easily make one feel comfortable and also make you laugh.

Panda was a previous rodeo contestant, member in both AGRA and CGRA where she served in various board positions. She was also a past Royalty member.

**Rick Jones** was taken from us on November 9, 2024. He loved rodeo and being a Rodeo Judge. Rick was a past rodeo contestant and began his judging career about 30 years ago at the Road Runner Regional Rodeo in Phoenix. He was scheduled to be a judge at this 2025 Arizona Gay Rodeo.

Over the years, Rick served his local association and IGRA with dedication, genuineness, and love for everything he did. He was also there to help and especially to be a mentor to many.

Today, we celebrate the lives of Panda and Rick as we remember their kindness, friendship, love, and dedication.

Surely they are watching the competitors at this rodeo and wishing the best of luck to each one. We will always remember Panda and Rick and miss them.

# THE RIDERLESS HORSE

Originally a military ceremony dating back to the days of when the cavalry relied on equestrian transportation instead of motor vehicles, the ceremony of the riderless horse has come to symbolize the end of a unique relationship between the horse and its rider.

A special bond between horse and rider exists that can never be replaced by modern-day mechanical vehicles. Each learned the other's cues, body movements, dispositions and numerous other unspoken signals and when that bond is broken, the horse must learn to adjust to the life minus its familiar partner.

The ceremony today not only immortalizes this philosophy, but also honors the many members of Arizona Gay Rodeo Association and all IGRA sanctioned Rodeo Associations members who have been taken from us well before their time. During this ceremony, we encourage you to remember these fine people for their contributions to Gay Rodeo.

# EVENT DESCRIPTIONS

## STEER RIDING

This is a good beginner's event, but it's not as easy as it looks. Steers are male cattle which have been castrated. The rider has a "bull rope" wound around the animal just behind the front legs and then around the rider's hand; no knots are allowed. This hand hold and the rider's legs, wrapped around the animal, are all the rider has to count on to stay on top. A rider who is able to spur, or move their legs back and forth on the animal's sides, will receive a higher score.

## CHUTE DOGGING

This event is designed to give even the novice a chance to compete in rough stock events. The steer and the contestant both start in the bucking chute and face a 60-second time limit. When the chute gate opens, the contestant must bring the steer out to a 10-foot line in front of the chute, and then attempt to wrestle, or "dog" the steer to the ground. The contestant will turn the steer's head up and toward the steer's shoulder, hoping the steer will fall over on its other shoulder, causing all four feet to point in the same direction as the head was turned. If the steer is contrary and falls the other way, it is

termed a "dog fall" and the contestant can either attempt to turn the head the same direction or let the steer up and start over. In this event either the contestant "dogs" or gets "dogged."

## BULL RIDING

The ultimate event of the rodeo, Bull Riding, is an advanced version of Steer Riding, but with one-half ton more beef to contend with and the added danger that many bulls turn back on the rider and attempt to get even for having their routine disrupted. Guaranteed, once you are on the bull and the gate opens, few riders ever leave this event without being slammed to the ground and scurrying for cover, as the Bull Fighter moves in to save the cowboy or cowgirl.

## CALF ROPING ON FOOT

This is the second step in a roper's career. Most beginning ropers practice on fence posts or other stationary objects and then move in to the arena with a live animal. The contestant stands in the roping box and when the calf is released, attempts to throw the loop over the calf's head. Once the loop passes over the calf's head, the contestant must pull up the slack in the rope.

## TEAM ROPING

Hours of hard work go into the training for this event. This event is loaded with hazards, such as collisions, entanglements, and worst of all, possible loss of fingers. The team consists of two ropers

and two well-trained horses. One roper is called the “header” and his or her responsibility is to catch the steer by the horns while the teammate, called the “heeler,” has the responsibility of catching the steer’s back legs, or heels. When the header makes the catch, he or she must wind the rope around the saddle horn, called “dallying off,” and turning the steer away from himself causes the steer’s heels to fly in the air for the heeler’s loop to catch. When both ropers have been successful in their tasks, they must turn their horses to face the steer and pull their ropes taut.

## MOUNTED BREAKAWAY ROPING

The roper is mounted on horseback with one end of his or her rope tied to the saddle horn by a piece of string. When the calf is released from the chute, the roper will be in hot pursuit with lasso swirling above his or her head. When the loop is thrown, it must pass completely over the calf’s head. As the calf pulls away from the rider and horse, the rope grows taut and will break away from the saddle horn.

## POLE BENDING

In this event, horse and rider compete for fastest time working a linear pattern through six equally spaced poles. The poles must be at least 6 feet in height and spaced 21 feet apart. A running start is allowed and a 5-second penalty will be assessed for knocking a pole down, and disqualification will take place if the team goes off course.

## BARREL RACE

Contestants vie for the fastest time in running a 3 point, cloverleaf pattern around three barrels. The horse and rider are allowed a running start and time begins and ends upon crossing a visible starting line. A 5-second penalty is assessed for knocking over a barrel. The pattern can be started either from the left or right, and contestants that go off the prescribed course are disqualified.

## FLAG RACE

A triangular pattern similar to that of the barrel race is used, with the substitution of a pole in place of barrel number three. The two other barrels will have a bucket that is 3/4 full of rabbit pellets placed on top of it, and a flag in one of these buckets. The rider may choose to run to the right or left and as they pass the first barrel, they pick up the flag, race past the pole, back to the second barrel, and attempt to place the flag in the second bucket. If the rider knocks over the first bucket or the pole, a 5-second penalty will be assessed. If the rider does not pick up the flag or misses the second bucket, no time will be given. If the second bucket or

barrel are knocked over, the rider is disqualified. Sounds easy, but try this at 30 plus miles per hour!

## WILD DRAG RACE

The Wild Drag Race is an audience favorite all across the IGRA rodeo circuit. Even though the competition is serious and the payoff sizable, a large number of competitors also believe this to be a very entertaining event for the audience. The drag costumes come from “Goodwill” stores, from second-hand stores, and many from raiding mom’s closet. A team is made up of one male, one female, one “drag” (either male or female), and one wild steer. The steer, with a halter and a 25-foot lead rope, is in a bucking chute at the beginning of the event. The cowgirl holds the rope and the cowboy and drag stand 40 feet from the chute. When the chute gate opens, the team tries to direct (or harass) the steer toward the finish line, which is 70 feet from the chute. They must get the steer across the finish line, mount the “drag,” and then ride back across the finish line. The “drag” must be mounted on the steer before the steer starts back across the finish line and must stay on the steer until all four feet of the steer have crossed back across the finish line. Sounds easy, but the “drag” may get bucked off several times before the event is ever completed!

## STEER DECORATING

This event requires a two-person team. One member stands ten feet from the chute gate holding the end

of a 25 foot rope, which is looped around the steer’s horns. The other team member stands 40 feet from the chute and has a 24-inch long ribbon. When the chute gate opens, the team must bring the steer out and across the ten-foot line. One team member tries to tie the ribbon on the steer’s tail while the other team member tries to remove the rope from the steer’s horns. When the ribbon is on the tail and the loop is off the horns, the ribbon-tier must tag the timer.

## GOAT DRESSING

This two-person event was created specially for gay rodeo. The team stands 50 feet from the point where the goat is tethered. One of the team members has a pair of jockey-style underwear worn over their forearms. When the whistle sounds, the team runs to the goat. The team member without the underwear picks up the goat’s rear hooves, grabs the underwear from around the other member’s arms, and pulls it up the legs of the goat. Both team members must then race back to the start/finish line and cross the finish line to stop the time. The underwear must stay over the goat’s tail bone until the timer is tagged by both members.

# THANK YOU Charlie's PHOENIX

The Arizona Gay Rodeo Association would like to thank the Staff and Management of Charlie's Phoenix for all of the amazing work they do to support the Arizona Gay Rodeo!

This year the team at Charlie's has hosted special events like a fabulous Italian dinner, where they turned the Charlie's dance floor into an Italian ristorante; they held Texas Hold'em Tournaments, and more! The staff sold hand-made bracelets with fun rodeo slogans, and cheeky custom tank tops! And of course, they held many raffles, including an 85" TV with a PlayStation 5 gaming console, and they're currently raffling off 3 iPhone 16 Pros! You can get your tickets here at the Rodeo for a chance to win!

So once again, thank you to Charlie's Phoenix for all of your support for AGRA since 1984!

*gay rodeo star Jimmy Thomas!*  
On sale NOW wherever books are sold!

READTRICKPONY.COM

A young boy with short brown hair is sitting on a wooden bench outdoors. He is wearing a bright pink long-sleeved shirt, blue jeans, and a large, ornate silver belt buckle. The buckle features a circular design with a cowboy and the word 'ALPHA'. He is smiling and looking towards the camera. The background shows a wooden railing and a building with a window.
